The sum total of knowledge, efforts, skills, talent, abilities and capacities are called resource

Human Resources

meeting the needs of Natural Resources

Recruitment made easy
Recruitment is easy and straightforward, it is for you when we're involved.

Our approach is simple: to provide you with the right people, first time, every time.

Behind the scenes we will be working hard to find and deliver the right people.
But like any polished performance, you'll only see the excellent results of our efforts.

INT Consultants has team, comprising of high caliber, trained and dedicated Consultants are specialized in addressing requirements of all leading industry segments and will help you cherry-pick the right-fits from a pool of prospective employees, thus providing a seamless, high quality and consistent solution to your hiring needs.

Everything you want
At INT Consultant we offer everything that you'd expect from the reputable recruitment agency.

....and more

But with us, you'll get a whole lot more.

- We listen to your requirements. It's such a simple thing to do but, in our experience, not every agency wants to hear. It means that you will only receive details of candidates who match your brief very closely.
- We have specialists in industrial knowledge. As we know the industry, we have a better understanding of the skills, experience and personalities required for particular roles.
- We're easy to work with. Our aim is to make your life easier by narrowing down the field and supplying you with leading candidates for your projects.
- We're open and upfront about our competitive costs. When operating as an employment business, you know what you're paying as soon as you hear our name.

Everything to gain

You may already have recruitment agencies on your preferred supplier list. But what have you got to lose by considering our candidates?

As we only ever put forward candidates who closely match your brief, you won't be wasting your time. And just think, you might discover the perfect candidate for your projects.

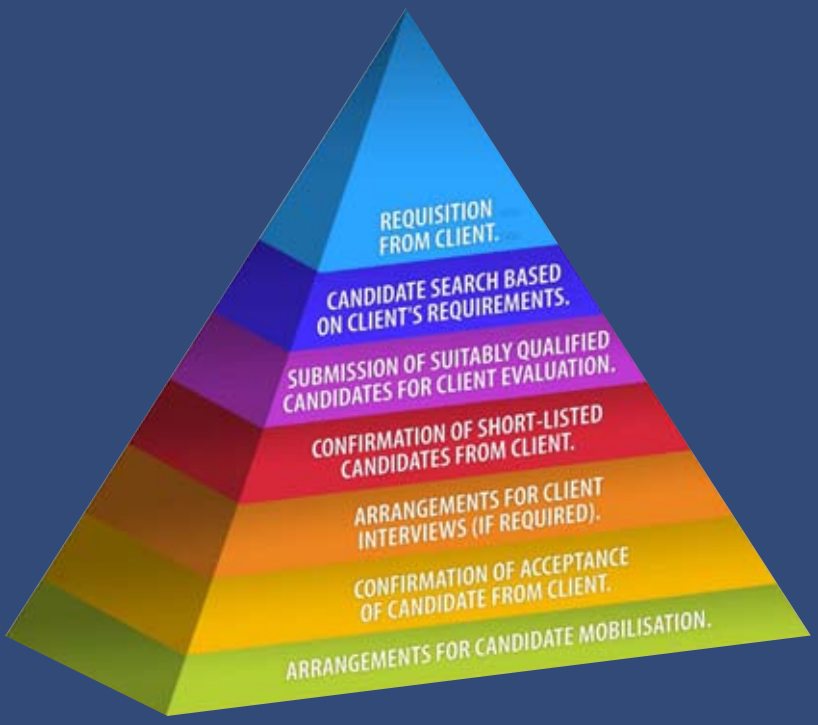
We're looking to complement, not necessarily replace your existing supplier. Think of it as giving yourself more options. By using INT Consultants as your second tier supplier, you'll have the confidence of an excellent recruitment agency waiting in the wings should your existing agency be unable to help.

The Recruitment Process

A recruitment process is exactly that – a process. It can be as long as is needed and as detailed as required, but the secret of a good recruitment process is that it's easily, transparent and scalable.

Here at INT Consultants we have nothing to hide – not even our recruitment process, below you will see a generic overview followed by more detailed account of the process we put in place when dealing with your vacancy.

At INT Consultants hope to change your expectation of the recruitment process. Although extremely important to be competitive we place as much emphasis on providing candidates whose objectives, expertise and experience fit within your organization.



To brief you about our working, we immediately on receipt of Demand try to locate the required categories though our database, various sources and associate offices situated all over India. Upon confirmation of the interview date, at least a week in advance we line up the shortlisted candidates for final selection by the client or their representative.

In case we are asked to select the workers we take utmost care to select most suitable candidates after trade test and medical test to your entire satisfaction. In the event of a worker selected by us if found to be not fit for the job, we will be fully responsible to replace on our cost.

The moment you trust us to fill your vacancy, a chain of events is set in motion, handled in accordance with well-established quality procedures.
